In the month of August, the band will rehearse Tuesday and Thursday from 8:00 AM - 12:00 noon. This will begin on August 2 and run through September 1. The band, color guard, and percussion will also have section rehearsals from 8:00 AM - 12:00 noon on Mondays.

Attendance at ALL rehearsals starting on July 11 is mandatory. Do not plan to be gone. Any absences will affect a student's participation in performances of the marching band.

Please understand, there will still be football games and contests at the same time as any year. Football season is not a month later. There will be two games before school starts. All band students must be present at these games.
