For chest measurement, wrap a tape measure around the thickest part of the torso and keep it snug to the body and parallel to the floor

Pants sizing:

For waist measurement, measure at bellybutton height around the entire waist

Shirt sizing:

For neck measurement, wrap a tape measure around the neck and record the number in inches

For sleeve length, start the tape in the middle of the back of the neck. Take the tape measure along the shoulder and down the arm to where the wrist bends. Take that number in inches and add 1"
