Mr. McDonald - Great first 2 weeks of band camp. The band is over 50% 9th grade and below and they're doing an awesome job.

- This Friday (7/25/25) is the Grid Iron Gala. Band camp will end at 5pm and report back to the school by 7:30pm. The marching band will perform between 8:30pm-8:45pm. The students will wear tech wear.
- Senior night is Friday, 8/22/2025.
- Spring Band Trip - The papers are available on a music stand to your right as you enter the bandroom. The itinerary and prices are included in the paperwork. There is a QR code on the paperwork you'll need to scan to create an account to make payments online. Payments will go through the travel company. The first set payment date is 8/1/25, with the final payment due on 2/1/26. The planned departure on Friday, 3/27/26, is at 5:45am with the students arriving at 5am. We plan to leave on Sunday, 3/29/26 at 2:45pm and arrive home early Monday morning on 3/30/26. We will continue to offer fundraisers throughout the school year to help offset the cost of the trip. Band managers are unable to go on the trip.

**Parents/Guardians are able to check students out to ride home with them, we will have check out forms available.

Mrs. Nails - The managers, 8th graders, and freshmen are doing a great job!

Candace Robertson -

- We NEED volunteers to head up the concession stand. The concession stand brought in around 30K last year, this is a significant fundraiser for the band. If we lose the concession stand, we will not get it back. We need someone to lead the Inventory and Stocking and someone to lead with delegating the Volunteers.
- The prop crew needs help; if you can paint, carry the props at the games, build sets, etc., please volunteer.
- Chaperones - if you're interested I have background forms for you to fill out, those can be turned in tonight so we will have time to run the background checks prior to the first away game.
- The deadline for the football program ads has been extended to 7/25/25.
