April 25th, 2026

Dear Potential Partners and World-Changers,

Ringgold's Middle School and High School Tiger Bands are privileged to be able to serve in a community that supports live music and arts of all kinds. It is a well known and proven fact that students who are active in music programs and the arts during their formative years learn many valuable lessons and develop skills that aid them throughout school. Their brain development, memory, and attention spans are enhanced and improved which in turn leads to better academic performance. Confidence, discipline, and teamwork are skills that are also acquired.

These are just a few of the benefits of music programs that help students become successful adults who will go on to help and improve their communities as well.

In light of all the benefits that music programs bring to individuals and communities alike, the Ringgold Band Boosters are inviting members of the community - businesses and individuals - to partner with us to help provide our students with the best music program that we can. Each year our students represent Ringgold by performing at numerous parades, football games, competitions, concerts, and honor bands, both locally and regionally. This takes a toll on equipment, uniforms, and instruments and with each year, the financial burden is largely carried by our band parents. As we are preparing for another year of music, costs only continue to rise, so we are asking our friends and supporters in the community for help. The benefits of a sponsorship program are exponential all around, with the most important being the feelings of belonging and support and pride that are bestowed upon our students by their community sponsors.

The Ringgold Band Boosters and the Ringgold Tiger Bands would like to thank you for considering supporting our 2026-2027 season in any way that you are willing and able.

The details of the different sponsorship levels are included on the next page.

All donations to the Ringgold Tiger Bands via the Ringgold Band Boosters are tax deductible, as we are a registered 501(c)(3) non profit organization.

Candace Robertson, president
Tony Bowers, vice president
Jillian Pezanosky, secretary
Lisa Jacocks, treasurer
